In the *BRITISH COLUMBIA GAZETTE*, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit

"A building containing 30 light outlets or under, the sum of \$3.

"A building containing 40 light outlets or under, the sum of \$4.

"A building containing 50 light outlets or under, the sum of \$5.

"A building containing 60 light outlets or under, the sum of \$6.

"A building containing over 60 light outlets, up to 100 light outlets, or any portion thereof, the sum of \$8.

"A building containing over 100 light outlets, for every additional 100 outlets or fraction of 100, the sum of \$5.

"On payment of the fees aforesaid and approval by the Inspector that the owner, agent or contractor has complied with the provisions of this by-law as to wiring, the owner or agent of the building shall receive from the Inspector a certificate that the said wiring has been done in accordance with the provisions of this by-law, and shall produce such certificate to the Inspector or authorised agent of the Council of the city, when called upon to do so."

2. There shall be added to this by-law two sections, to be known as sections 43A and 43B, respectively:—

"43A. In the event of any wires in a building being altered, repaired or replaced by the owner, agent or lessee thereof, notice shall be given to the Inspector of the intention so to do, and the provisions of this by-law as to Inspector's fees and certificate for such wiring shall apply as if the same was being placed in a new building.

"43B. The owner, agent or lessee of any building shall allow the Inspector, on being requested so to do, to examine the wiring of a building at any time, if in the opinion of the Inspector there is reason to believe that the state of the wiring at such time does not comply with the provisions of this by-law, and it shall be the duty of the Inspector to examine the same, and the owner, agent or lessee of such building shall place the wiring in such state as may be necessary, in the opinion of the Inspector, in order to comply with the by-law, and pay to the Inspector a fee of \$1 for such examination."
